

EMOTION &  
FEELING WHEEL

Starting on the inside of the circle, select an emotion for Macbeth and an emotion for Banquo after having heard their prophecies.

Why have you chosen this emotion?

Now, move to the middle of the circle. Which word here best explains how you think Macbeth and Banquo have reacted to their prophecies?

Finally, look at the outside of the wheel. What specific emotion do the two men feel?

Ensure you have a quotation and an explanation to show how you know they feel this way.
